Dear Judy Ackinclose:

SAANICH 2016 ENVIRONMENTAL AWARDS

On behalf of the Environment and Natural Areas Advisory Committee, it is my great pleasure to inform you that the Goldstream Volunteer Salmonid Enhancement Association has been recognized to receive a 2016 Saanich Environmental Award in the Sustainability category for achievements in providing salmonid hatchery support to creeks in Saanich.

The award will be presented by Mayor Richard Atwell during the Council meeting on **Monday, June 13, 2016**, at approximately 7:00 p.m. This year we are also pleased to invite you and a guest to meet the members of Council and the Environment and Natural Areas Advisory Committee for a reception starting at 6:00 p.m., on the second floor foyer at the Saanich Municipal Hall. Refreshments, tea and coffee will be served.

The Environment and Natural Areas Advisory Committee would like to show photographs of the winners that relate to the work they have been nominated for at the ceremony. If you are able, please send up to three digital photographs to carolyn.richman@saanich.ca for inclusion in the slideshow.

Please RSVP to Elizabeth van den Hengel at elizabeth.vandenhengel@saanich.ca or 250-475-5494 ext. 3430 by **2:30 p.m. on Monday, June 6, 2016** to confirm your attendance at the reception and/or the Council presentation.

We hope that you are able to attend the meeting and reception to receive recognition for your efforts. A photographer will be on hand to take individual photos as well as a group photo after the presentations. Congratulations and we look forward to hearing from you soon.

Sincerely,

A handwritten signature in black ink that reads "E van den Hengel".
